LETTER FROM THE CHAIR

Dear Friends,

Hermann Park Conservancy's remarkable strides in improving and preserving historic Hermann Park continually inspire me and the Park's dedicated troop of volunteers, members, partners, and its six million annual visitors.

After a trying year in the City of Houston, it has never been more evident that our City's diverse community is something to be admired. What has always been so special to me about Hermann Park is that on any given day, you can stroll down the Marvin Taylor Trail, take a seat by the Jones Reflection Pool, or climb up to the top of the Mount in the McGovern Centennial Gardens and watch individuals, families, and friends from all walks of life enjoy one communal space.

Whether you have been involved with the Conservancy since our founding 26 years ago, or you were first introduced to our organization just this year, I am sure you have seen how important community is to the success of this Park, and how important this Park is to the Houston community.

To those who attend our events, get their hands dirty volunteering in the Park, donate, or just enjoy the Park's serenity, thank you. You are a fundamental part of what makes our work possible and Hermann Park so special. With your support, the Conservancy will continue its work to provide this vibrant greenspace for all to enjoy.

I also want to express my deepest gratitude to our enthusiastic board members, dedicated donors, and hard-working staff members, all helmed by Conservancy president, Doreen Stoller. Each and every one of you is an important part of our mission and make up the incredible community that will steadily improve Hermann Park for generations.

Thank you again for your commitment to the Conservancy and to our treasured Park.

With appreciation,

Phoebe Tudor

Planning for Hermann Park

The Conservancy selects best in class designers, but the key to a beautiful and well-loved project is getting ideas from the community. We host public meetings and encourage people to send their thoughts to ideas@hermannpark.org but we think some of the best ideas come directly from visitors in the Park.

Drawing by Michael Van Valkenburgh Associates

Research conducted by Rice University students revealed that Texas Medical Center employees and patient families would enjoy healthy food options and shady places to connect with nature such as this early idea for a dining bosque.

Kite Festival visitors of all ages submit their ideas for the Family Commons designed by Michael Van Valkenburgh Associates.

Ideas gathered at the Conservancy membership Sip and Stroll.

Special Event and Wedding Planners gave their feedback for plans for Lott Hall designed by Curtis & Windham Architects.

The George Hermann Society recognizes donors who have provided for the future of Hermann Park through bequests or life income gifts to Hermann Park Conservancy. The names listed above and on the preceding pages include donors who made gifts or pledges of \$100 or more during the fiscal year from July 1, 2017 to June 30, 2018, as well as all George Hermann Society members. In compliance with IRS standards, commitments paid over time in installments are recognized once in full at the time of the pledge. Please contact the Conservancy if we inadvertently have not included your name or if you would like to be listed differently in future publications.
